Subject: Requesting for the permission of organizing cse alumni fest  
, "MELANGE".

Dear Sir,

With due respect and most humbly i would like to state that we the student of 4th year cse have formed an organizing committee for the CSE Alumni meet i.e MELANGE. This committee is ready to take care of every responsibility for organizing the event.

Therefore I request you to allow us and give us the permission to organize the event as we all know there are very few offline events held in our college due to covid. I am attaching the members of the committee with this application.

Thanking You  
Nahid Ali  
CR CSE
